Roc'n the Competition

By Kim Otero, NAWRA Race Coordinator

After a magical night camping under the full moon, hardworking crew members were up bright & early to set up a great track. Everyone pitched in and worked very hard – thank you so much. Some with no dogs entered came to help out, even Lisa Costello, Ed & Mary Jean Odron and Cindy Scott, among others, took time from their hectic schedule to work the finish line and help catch and load dogs.

Meet winner Rocs went undefeated with his litter sister Wendigo coming second and BOS. These two were on a real roll. Congratulations to breeders/owners Cheryl Pauley and

Susan Heining. Third was the Woolf's very handsome Alcaeus, followed by the super keen and handsome white boy Bravo. Our Cab Calloway son Fleck finished fifth and took 4 Rch points—what a way to start the week! Kaelyn Silva's fine boy Dekker placed sixth which included a HP second. Seventh place and taking two Rch points was Alcaeus pretty sister Ocean. This diminutive girl ran strongly in three high points and just had bad luck her final heat or she would have placed much higher. Congratulations to the Bartos. Melissa Lucas young Riot ran her best meet to date—way to go girl! More pretty girls Dazzle and Dierdre rounded out the Top Ten.

Four show champions were entered with the victor being John Garrison & Michael Allen's strong young beauty Dougie. A great entry of four puppies (all first timers) added to the fun. Melissa Lucas elegant girl Squid was the victor with the Swepston's 8-month old Pink reserve.

The awards were fabulous—many thanks to all for their generous donations. Rhonda Gifford, I knew your dog beds would be very appreciated by the tired and happy whippets.

NAWRA Meet winner Rocs (High-Tones You Roc Me, S RCh, ORC) and his owner Cheryl Pauley.

Interview with meet winner Rocs

DW: Congratulations on your meet win today. To what do you attribute your success?

Rocs: Break out behind and run like hell to win I guess.

DW: Are you saying you find coming out of the starting box a challenge?

Rocs: Whaddya mean by start?

DW: Okay, next question. How does it feel to win?

Rocs: Huh? I just know I win lots of dog cookies. Mmmmm coookies....

DW: What would you suggest to improve race meets?

Rocs: Awards? More cookies, less dog beds and fancy plates!
