Thursday was a stellar day

In the Altered Class competition Thursday, Ch. **Festiva N Sportingfield Red Stiletos SC** (Stella) was selected by Judge Jackie Hubble as her best entry.

Hubble, who has owned and bred whippets under the Sagehound prefix since 1983, said Stella was absolutely beautiful. "I loved her beautiful body, with angles you could not deny, and her beautiful head and eye—things that are sometimes missing in our breed," Hubble said.

Stella was bred by Katie Rudolph and Dionne E Butt and is co-owned by Lisa and Mike Fontaine. Lisa said Stella's favorite activity is lure coursing. Mike said the couple depended on Stella for entertainment. "She's our silly girl, our comedian," Mike said.

GCh Mariner Diabliesse I Can't believe It's Not Butters, owned by Karen Lee and Kristen Fredericks was Best of Opposite.

All in the Family: Rinha is WB on Friday

It was a family affair Friday when Judge Red Tatro selected **Rothschild's Caipirinha with Kamaay** (Rinha) as his Winner's Bitch. Rinha is owned by Laureena Teets and Lisa Fontaine and lives with Laureena. Lisa also co-owns Stella, the Altered Class Winner (See story and photo at left.)

Rinha and Lisa came from the Bred-By Exhibitor class for the win, which finished the bitch. She is named after the national drink of Brazil.

Lisa said Rinha will be shown in both conformation and lure coursing in the future. Mike Fontaine says Rinha (In photo at upper right with Lisa) is "a daddy's girl who has "an extremely uninhibited personality."

Reserve Winners Bitch for three points from the Open Class was **Sporting Fields Dashing Winddancer on the Sands**, bred by Dionne Butt, Amanda Giles and David and Gina Samuelson.
